Declares Social Credit Possible

W. Aberhart Addresses Audience of 5,000 at Medicine Hat, Alberta

Medicine Hat, Alta., May 17.—People of Canada are suffering from the worst economic disaster the world has ever known, declared W. Aberhart of Calgary, leader of the Alberta Social Credit League, yesterday evening told one of the largest gatherings ever assembled in Medicine Hat. The audience was estimated at 5,000.

"We must break that bondage and set our people free," he declared. "It can be done." Aberhart in the course of his speech declared that the solution was the Social Credit plan, and the solution rested in social credit, he said.

"They say it is unconstitutional and cannot be done," he said. "I would like you to know the constitution is made by the people. If the people of Alberta want something done and have enough courage to stick together and not be divided they can get what they want, no matter what it is."

FOR BEST OF THEM
Calgary, May 17.—Principal of Calgary's Crescent Heights High School, William Aberhart, will not be allowed another single day's leave from his school duties, even "without pay," the school board has ruled.

If Mr. Aberhart finds it necessary to absent himself from school duties to conduct his election campaign, he must take leave of absence for the remainder of the school year.

Recently the Social Credit leader has been away for one or two days at a time conducting his campaign outside the city limits.

Medicine Hat and to-day he is at Lethbridge.

"In the amount of work Mr. Aberhart is doing at present," said Dr. A. B. Hamilton, a trustee, "it is impossible to do his job as a trustee and at the same time to his school."

New Embassies Now In China

Britain, U.S. and Japan Elevate Legations; France Soon to Do Likewise

London, May 17.—The British government will officially announce tonight the raising of its legation at Peking to the status of an embassy.

This move will follow similar action by the United States, Japan and Italy, which is expected to be announced tomorrow.

It was understood Britain, France, Italy and Japan previously agreed to take simultaneous action in the matter and British officials were described as somewhat vexed that Japan and Italy should have "jumped the gun."

U.S. TAKES ACTION
Washington, May 17.—President Roosevelt today approved raising of the United States legation in China to the status of an embassy.

Secretary Hull made the announcement at 2 a.m. today, timing it for simultaneous announcement by Great Britain and Japan that they were taking similar steps in recognition of China's importance in future diplomatic matters.

France is expected soon to follow suit.

A unique diplomatic situation prevails in China. The dozen, or ranking, foreign envoys, ordinarily speak for the entire diplomatic corps on questions of importance to foreign nations, giving whatever envoy is designated unusual power.

The Soviet elevated its legation to an embassy in 1914, and Italy acted similarly last year, giving those nations unquestioned leadership in diplomatic affairs. With the power equally represented, the dominance of the corps is now expected to revolve among them according to seniority.

NANKING STATEMENT
Nanking, May 17.—The national government office announced today that the Chinese legation at Tokyo had been elevated to the status of an embassy.

At the same time it was announced that China and the United States had agreed that the diplomatic representatives they exchange should henceforth rank as ambassadors instead of ministers.

NEW BUILDING
Tokyo, May 17.—Coinciding with the announcement that China and Japan have elevated their legations in each other's countries to the status of embassies, official circles indicated that the Japanese government had planned to spend 1,000,000 yen for the construction of a new Japanese embassy in Peking.

The Chinese in the Japanese diplomatic relations was hailed in the vernacular press as "diplomacy of equality" and "a policy of positive assistance to China."

Duke Menaced By Masked Man

Canadian Press
Windsor, Ontario, May 17.—Chill winds are investigating a strange incident in which the Duke of Devonshire, former Governor-General of Canada, is reported to have been fired at by a masked man.

The duke, who was in Canada from 1916 to 1921, was peacefully fishing in the river Macleod, which flows past his Irish castle, Llanthomas, when a masked man sprang from shrubbery and aimed a shot.

Asked if the shot in which he was nearly hit, the duke replied that he was promptly "warned" off the river. The duke paid no attention and the man departed, but was later firing a revolver shot in the air.

He is being sought.

New Boy Scout Fund \$352,000

Toronto, May 17.—E. W. Batty, E.C., president of the Canadian Federation of the Boy Scouts' Association, at the annual meeting here yesterday.

Other Dominion officers are: Chief executive commissioner, John A. Stiles; honorary Dominion secretary, Gerald H. Brown; honorary counsel, Dr. Francis H. O'Rourke.

The meeting heard a report that \$352,000 had been subscribed to aid the growth of the scout movement in Canada and it was predicted that the \$400,000 objective set by the Governor-General, the Earl of Bessborough, would be reached before the end of the year.

The effort to increase the number of Boy Scouts in Canada to 100,000, part of the Governor-General's plan, resulted in a total membership of 85,000. Eight of the provinces had an average increase of 4.2 per cent. Crop failures had an effect in Saskatchewan, where there was a decrease of 18 per cent.

There are 24,244 Wolf Cubes organized into 1,000 packs. Boy Scouts number 35,718, organized into 1,400 troops. Rover or senior scouts total 1,041, and scouts and rover are now have 460 members. There are active groups of handicapped boys in fourteen institutions.

Canada-Hayti Trade Growing

Ottawa, May 17.—Extraction of the duties of the international trade treaty to the benefit of Hayti was announced by the government here yesterday. In return for this Hayti gives to Canada "most favored nation" treatment. In the last fiscal year Canadian exports to Hayti had a value of \$175,000, while imports from the Caribbean republic amounted to \$40,000.

The agreement was reached following an exchange of notes between the Canadian and Haytian governments last month.

Canada's exports comprise principally dried and smoked fish, smoked herrings, exported last fiscal year amounted in value to \$42,257, codfish, \$16,550, and salted alewives, \$25,806. Hayti, however, purchased \$41,814 worth of wheat flour and also purchased tire casings to the value of \$20,000.

Imports from the republic consist chiefly of tropical fruits, with some small quantities of cotton.

PHYSICIAN IS LISTED FOR TRIAL

Police Court, B.C., May 17.—Following preliminary hearing on a charge of manslaughter, Dr. W. A. Watson, prominent physician and member of the hospital board, was remanded for trial in a superior court. Bail of \$5,000 was returned.

Dr. Watson was arrested May 8 on a charge of failing to use reasonable care in administering medical treatment to a patient at the Red Cross Hospital here. The charge followed an inquest on the death of Joseph O. Thannhauser, who died February 15 following an operation.

The case will probably be heard at the sittings opening in Prince George May 23.

POSTMEN TO GATHER HERE

B.C. Branch of Canadian
Postmasters' Assn. Con-
vention to Start May 27

The whole letter problem and other questions of interest to members of their department, will be discussed at the Canadian Postmasters' Association, British Columbia Branch, meeting in Victoria on May 27, 28 and 29. It was announced by Ned Gray, Vancouver, vice-president of the provincial body.

With George E. Gardner, postmaster here, Mr. Gray has made arrangements for the gathering which will bring together between sixty and eighty postal departmental heads from all parts of British Columbia. Representatives for the convention will take place at 9 o'clock Monday morning, May 27, at the Empress Hotel.

From 9 to 10 o'clock on the opening day an informal reception will be held at which officers in charge

of the association expect to have all delegates become acquainted. At the function the postal officials will meet J. P. Murray, district superintendent, who will represent Hon. Arthur Durrant, Minister of the Interior, at the gathering. J. B. Curley, a former Victoria official, now director of postal service in Calgary; H. Morgan, Dominion president; G. H. Griffiths, Dominion secretary, and Post Office Inspectors Rogers, Macdonald and Pringle will attend the function.

Each of the leaders will give an address during the convention and will contribute to the discussion on various phases of postal work. On Monday a luncheon will be held at Spencer's dining-room. At 5 o'clock that evening visitors will be driven around the city by local officials and at 7 o'clock a complimentary dinner will be tendered the visiting officials and Dominion association officers at the Empress Hotel.

On Tuesday, May 28, a luncheon will be held at the Empress Hotel. A special trip to Butchart's Gardens, sponsored by The Victoria Times and The Daily Colonist, will be taken on Tuesday afternoon. Before the delegates return to the city for a banquet and entertainment at guests of the Robert Simpson Company Limited.

Committees have been organized to handle the C.P.D. through J. K. Maclean, secretary of the Empress Hotel, to allow them the free use of the Crystal Pool and suitable convention rooms have been granted in the hotel.

Officers of the provincial branch of the association include J. L. Jackson, Salmon Arm, B.C., president; Ned Gray, Vancouver, vice-president; C. R. L. Lohry, Vernon, secretary; J. W. Wright, Armstrong, auditor; and E. V. Robb, Oak Bay. Mrs. E. Murphy, Lytton, T. W. Clarke, Nanaimo, and J. H. Bowring, West Vancouver, executive members.

Bad Case of ACID STOMACH

RELIEVED

"There has been a very bad case of Acid Stomach," writes C. G. L. of Cranston, England. "It thoroughly upset my system. My stomach was so bad, I had a poor appetite and when I did eat I suffered violent pain. Two boxes of Maclean Brand Stomach Powder, he adds, removed a terrible distress and gave me a good appetite and led to digestion. Thousands of sufferers from indigestion, gastritis, flatulency and many other forms of stomach trouble would find similar relief in Maclean Brand Stomach Powder, which is made according to the formula of the Head Stomach Specialist of a great London Hospital. You, too, can look to Maclean's Stomach Powder for relief. Ask your druggist. He will look for the signature, 'Alan C. Maclean' on every bottle. 75c. In bottles, each. Never sold loose."

Stalked Wapiti In New Zealand

Viscount Chaplin Has Success
With Rainbow Trout,
But Hunt Was Failure

Viscount Chaplin, who arrived here by the Niagara from New Zealand, was lured there by rainbow trout and wapiti, he told ship reporters.

"I had some wonderful trout fishing and attempted to stalk wapiti, but in this was not successful," he declared. He said the trout he had caught ranged anywhere from seven to ten pounds, and to land them was jolly good sport.

"I had never been to New Zealand before and I was anxious to see it. It is a wonderful country."

Viscount and Viscountess Chaplin arrived in Victoria on Monday morning and visited the Bay of Islands and the famous Muriel-Mile Beach. They spent nearly three months in New Zealand before leaving for Victoria.

The Viscount spent some time chatting with Premier Pattullo in the ship's main lounge and then went up town with him to the city and view the Parliament Buildings, which had been illuminated in honor of the distinguished travelers aboard the Niagara.

Viscount Chaplin is a son of the first Viscount and Florence, daughter of the third Duke of Sutherland. He is interested in the land settlement scheme of Canada of the late Duke of Sutherland, who owned large areas of ranching land at Brooks, east of Calgary, at Innisfail, Alberta, north of Edmonton, and also along the Peace River. The plan to establish a Fairbridge farm school at Cowichan Station, which had been interrupted by the intervention of the world war.

A frequent visitor to Canada, the Viscount said he was pleased to be back again. He recalled that he was in Victoria three years ago when he was on his way up the island as far as Cowichan Bay.

Interest was displayed by the Viscount in the scheme of the Child Immigration Society of Great Britain to establish a Fairbridge farm school at Cowichan Station. He asked the reporters for details of the scheme, and wanted to know when the first group of embryo farmers would arrive.

Viscount and Viscountess Chaplin plan to visit Ottawa on their way east, and will sail for England by the Empress of Australia.

LANGFORD
The monthly clinic was held in the Women's Institute Hall Wednesday afternoon when Dr. R. H. Wiggins conducted the examination. Members of the Langford and Happy Valley Institutes were the housewives. Mrs. J. A. Morrow Mrs. P. Sparks and Mrs. Yarn. Mrs. P. H. Shaw and Mrs. W. H. Shaw. The district nurse with the weighing and measuring.

A meeting of the women's auxiliary to the Prince Edward branch will be held Friday May 17 at 8 o'clock at the home of Mrs. Donna Freeman, Station Road.

Mrs. MacKay with her daughter Kathleen and son Peter, who have been residing at "Connamara," Island Highway, are staying at 241 Belleville street, preparatory to returning to England.

For their splendid work in the community at large, which was recognized in the presentation to them of Jubilee medals, Mrs. William Crouch and Miss Kate Oldfield were congratulated by the Sanich Council. The reverend thanked the council for its felicitations and expressed his pleasure over the presentation to Miss Oldfield, whose work, he said, was invaluable.

ROUND TOWN DRIVING COSTS CUT

Save up to a cup of gasoline in 10 minutes of hard getting.

Save up to a cup of gasoline on each "cold" start.

Save up to another big 6-cents saved in one hour of hard running.

Super-Shell makes such savings possible because it delivers more power in a motor before it is even warmed up.

It cuts the waste of "stop-and-go" driving (and remember, 80% of your driving is in this kind).

Try this first truly balanced gasoline. Start getting more miles per tankful "round town."

MOON GLOW

LATEST FORM CHAIN MANIA

Associated Press
Chicago, May 16.—"Trousers" chain letters, allegedly evolved to fill the hope chest of a prospective bride or to provide engagement or wedding ring money for the prospective groom, were the latest form of the chain letter craze to be reported in Chicago.

TREND OF THE TIMES

Charlottetown, May 17 (Canadian Press)—"It's just the trend of the times," commented Mrs. Bessie Waller, beauty specialist, as she remarked how yesterday she had given a permanent wave treatment to a little girl three and a half years old and a customer the day before was a "dear old lady, eighty-one years old, who seemed to enjoy every minute of the treatment."

FRENCH LIFE INFLUENCED

**I.O.E. Empire Study
Creates National Development**

Canadian Press
Ottawa, May 17.—Increasing interest and enthusiasm on the part of chapters of the Imperial Order Daughters of the Empire in following courses of Empire study was reported to the National Chapter in convention here yesterday by Mrs. Graham Thompson, convener of the committee in charge of this branch of the organization's activity.

In seven of the provinces the number of chapters engaged in study had increased, she said, and while some of the educational secretaries had reported definite study courses being followed, others told of at least a beginning being made by the reading of papers at some meetings and hearing lectures at others.

The study of French had not been found practicable in any of the chapters, Mrs. Thompson said, but studies and lectures had laid increased emphasis on the importance of the contribution of French Canadian literature and French influence upon the life of the country.

Presenting the report of the immigration committee, Miss Rosetta Joseph, Quebec, declared that for the fifth consecutive year immigration into Canada had declined until the welcoming of newcomers formed an almost negligible part of the order's work and Canadianization has become of paramount importance. In 1934, the highest post-war migration there were 137,000 newcomers to Canada. Last year 14,000 were admitted, though none were educated.

The past year had continued its efforts on behalf of British pictures and had also recommended certain American films of special merit. Miss Joan Arnold told the delegates.

"It is unfortunate that more progress cannot be reported along the lines of pictures shown, primarily for children," Miss Arnold said. "That they will come I have no doubt, but in the meantime we can do nothing about them except to persuade and show the good whenever opportunity offers."

Approximately \$77,000 had been expended by the order in the country of Canada and family work, Mrs. J. H. Smith, Toronto, reported.

"Chapters in all provinces have engaged in relief work and in supplying milk to undernourished children," she reported. "Chapters have been supported, either fully or partially. Patients in hospitals, primarily and preventively have been remembered, and money has been supplied towards the upkeep of these institutions. Chapters have been engaged in the underprivileged have been carried on with splendid results. Help has been given to the blind, and the deaf, and financial assistance advanced for operations and the supplying of glasses. Children's Aid Societies have benefited—district nurses and Victorian Order of Nurses have been aided."

Ottawa chapters spent \$28,125 in this work. Amounts expended by chapters were: Quebec, \$15,200; British Columbia, \$7,900; Nova Scotia, \$6,175; New Brunswick, \$4,750; New Brunswick, \$3,807; Manitoba, \$1,000.

Reports of committees on Empire work in India, Girl Guides and Distinguished Visitors and Hospitality were also submitted.

CLAIM DANCING RUGGED SPORT

Associated Press
Seattle, May 17.—Tide 11 from ten men at the University of Washington, dancing is a "rugged sport."

They may be seen performing in the Women's Physical Education Building under the direction of Mary Aid of Vries, assistant professor in physical education, assuming classic poses and springing into the air.

"Interpretive dancing was more muscular in the body than any other sport, save swimming and fencing," said Kenneth Penches, one of the members of the class. "It isn't a roughhouse sport, but it isn't a play course for men, either."

Young People's Societies

ST. MARY'S A.Y.P.A.

The meeting of St. Mary's A.Y.P.A. was held on Wednesday evening in the parish hall. Plans for the country fair to be held at the home of Dr. A. P. Tolmie, on June 24, were discussed. A card party will be held at the home of Mrs. G. L. Jull, Davidson Street, on Wednesday, May 23.

DOUGLAS STREET BAPTIST Y.P.

The Douglas Street Baptist Young People will hold their regular meeting to-night at 7:30 o'clock. Miss Margaret Ralph will be the chairman. The speaker for the evening will be Rev. J. W. McMillan, who will talk for his subject "Canadian Poets." All young people of church and community are invited.

ST. MARY'S A.Y.P.A.

The St. Mary's A.Y.P.A. held their monthly business meeting on Wednesday evening. Officers for the coming season were nominated and elected as follows: President, George Bennett; vice-president, Ronald Holm; treasurer, Harry Hayward; secretary, Bruce May; corresponding secretary, Miss E. Baylis. Through the efforts of Mr. Gelling, the Bible Class and A.Y.P.A. have planned to form the St. Mary's Tennis Club, to play at Stadcona Park. Details will be announced later. Next week there will be a social.

FIRST UNITED Y.P.I.

The annual meeting of the young people of First United was brought to a grand close on Monday night with a banquet. Supper was served at 6:30, after which a lively sing-song was enjoyed by all.

Miss Jones presented Rev. Mr. Boothroy with a gift of appreciation for his untiring service among the young people for the last two years. Reports from the committee were given for the past year by George Dickson, literary vice-president; Margaret Jones, Christian fellowship vice-president; Ken McDonald, recreation vice-president; and Bill Findlay, citizenship vice-president.

Mr. Gough gave a trumpet solo, accompanied by Mrs. Gough, and Miss Perry played two vocal solos. Mr. Neil Perry introduced the guest speaker for the evening, who was Dr. R. M. Cassidy, director of social welfare for B.C. His talk was enjoyed by all, and a vote of thanks was presented to him by Dr. Wilton.

Ken Simpson thanked the refreshment committee, headed by Miss Helen Marsh, for the wonderful work in preparing the banquet. The Y.P.I. was a "winner" and the evening was a "winner" for the association.

RECORD SPEED FOR DIVORCE

Streamlined Case Took Two Minutes

Canadian Press
Chicago, May 17.—The streamlined divorce case flashed in and out of Judge Philip J. Fitzgerald's court today and set what observers believed to be a new speed record—under two minutes.

In two minutes, Robert G. Howlett appeared, took the stand, answered five questions about his marriage to Elizabeth Howlett.

In less than a minute, Hamilton O. Hale, a friend, corroborated the dates and names. Both Howletts did not contest the action.

INVITED TO VANCOUVER

Vancouver, May 17.—The Vancouver branch of the Canadian Women's Press Club has instructed their delegates to the triennial convention of the National Press Club, opening May 27 in Ottawa, to invite the national body to hold their 1938 convention here.

Miss Doris Milligan, Vancouver, British Columbia vice-president; Mrs. Elmer Jacobson, Vancouver; and Mrs. Mary Barber, Chilliwack, will represent the local body in Ottawa.

ANOTHER FLYING CONQUEST FOR AMELIA!

Her face weathered in smiles and showing little trace of fatigue at the end of her record making 2,100-mile nonstop hop from Mexico City to Newark, Amelia Earhart is shown as she received the thunderous ovation of a crowd of 15,000 at the busy airport, "Chaparral" had landed at 10:40 a.m. Earhart set her record in 22 hours 10 minutes and 55 seconds after her takeoff from the Mexican capital.

DIVORCEE WED VISCOUNT MOORE

New York, May 17.—Viscount Moore, eldest son and heir of the Earl of Drogheda, and Mrs. Joan R. Carr, both of whom live in London, were married yesterday in the municipal building chapel.

Lord Moore is twenty-five. The bride, whose age was unlisted, was married twice previously and was divorced from her second husband in London in 1929.

TRIBUTE PAID TO THE I.O.D.E.

Canadian Press
Ottawa, May 17.—Highest eulogy of the endeavors of the Imperial Order Daughters of the Empire was given to-night by Sir Robert Borden in a message read at the banquet by the Municipal Chapter of Ottawa to delegates attending the thirty-fifth annual meeting of the national chapter. The dinner was attended by 500 members and delegates.

Sir Robert, who was unable to be present, said: "To those who believe, as I do, that the continued unity of the British Empire is not only to its component nations but to its common good, the I.O.D.E. is in itself an inspiration."

"The splendid record of achievement during the war, its devoted service to Canada and to the Empire, for the welfare of prisoners of war, for our troops, both in the field and in hospitals, for the devastated regions in France, in every helpful purpose during all those weary years of most arduous and every true Canadian's warmest appreciation and profound gratitude."

"How many of us remember that during those trying years nearly 60,000,000 was raised by the order for various war purposes?"

"But the service of the order did not end there. Throughout the years the labor of love and of patriotic duty has been unceasingly continued."

FOR GREATER SERVICE

Chapters had gone forward to meet the pressing needs, the continued demands and opportunities for greater service among the men and their families, so many in dire necessity and utterly discouraged, but not forgotten by our order," said Mrs. Brotherton.

Approximately \$77,000 had been expended by chapters throughout the Dominion on child and family welfare, Mrs. J. H. Smith, Toronto, reported. In all provinces chapters had engaged in relief work and in supplying milk to undernourished children.

Chapters were supported, either fully or partially. Patients in hospitals, maintenance and preventions had been secured and money donated to the upkeep of these institutions. Splendid results were reported from the summer camps for underprivileged children. Aid has been given the blind and the deaf and financial assistance advanced for operations and the supplying of glasses. Assistance has been given to Victorian Order, work, district nurses and children's aid societies.

In this work Ontario chapters spent \$28,125; Quebec, \$15,200; British Columbia, \$7,900; Nova Scotia, \$6,175; New Brunswick, \$4,750; New Brunswick, \$3,807; Manitoba, \$1,000.

Reports were given from chapters in British Columbia, including individual visitors and hospitality.

COOK SAVED SMALL FORTUNE

Associated Press
Seattle, May 17.—More than thirty years ago, Hannah Wilson came to Seattle from her native Sweden to make her fortune. She knew only one livelihood—cooking.

The will of Hannah Wilson, 72, who died after returning to Sweden early this year, was admitted to probate yesterday. All her estate, estimated at more than \$35,000, more than the wealth of some of the families she served as cook, will go to two nieces, Telle Sjogren and Hanna Johansson, in Sweden.

The man representing her life savings, invested for her by J. G. Olson, trust officer for a Seattle bank, and executor of her estate.

WANT PICTURES FOR CHILDREN

Canadian Press
Ottawa, May 17.—National chapter of the Imperial Order of the Daughters of the Empire today endorsed recommendations for a larger number of films designed primarily for children and for a greater percentage of British films to be shown in Canada. The recommendations were made by the committee convened by Miss Joan Arnold of Toronto. They were read at the delegates at the triennial convention by Mrs. T. Wilton Best of Toronto.

The report of the national treasurer was read by Mrs. J. P. McCurdy, Toronto. Balance for the year was \$174,370.

Dust Proof Plan For U.S. Houses

St. Paul, Minn., May 17.—A plan for dustproofing at least one room in the home of every relief family in the so-called United States "dustbowl" was explained to St. Paul Red Cross directors yesterday by William H. Butler, St. Louis, national treasurer of the United States Red Cross.

He said the windows of one room would be covered with cloth, glass with paraffin and the cracks caulked with tape. The Red Cross would supply the materials, Butler said, and the government the plan.

TAXATION IS TOO HEAVY

Capt. W. C. C. Innes Wants Income Tax Abolished and Railways Unified

"We are probably the most highly taxed people of any country in the world, and although our population is only 12,000,000, we pay the tax burden far in excess of our own means," said Capt. W. C. C. Innes, chairman of the Commercial Bureau of Canada, when speaking to members of the Rotary Club at luncheon yesterday in the Empress Hotel.

"We are taxed to-day," Capt. Innes said, "with the spectacle of government and municipalities all attempting to balance their budgets by increasing taxation and the country is

See Change In Council's Stand

Influence of Esquimalt Ratepayers' Association is Told at Meeting

That the attitude of meetings of the Esquimalt Council had been changed through the influence of the Municipal Ratepayers' Association, was the conclusion of two speakers at a meeting of the association in St. Paul's Parish Hall Wednesday evening.

Mayor George E. H. Lloyd, president of the association, stated that their representatives on the council, Comptroller T. Henry Hodgson and F. J. Lloyd, in a letter to the Esquimalt Council of the council, stated that he would favor the council's action if it would be willing to pay in full to purchase the value of the premises and make their own arrangements.

THE SPORTS MIRROR

With the exception of Kolehmainen, the great Finn, no favorite has won the Olympic marathon. Reports from

various countries that such and such a runner negotiated the distance in record breaking time mean very little, sometimes, since the layout of the course may not have been the grueling grind called for by the Olympic rules. The result then in the Olympics has invariably been that a dark horse finishes yards, and sometimes miles, ahead of the favorite.

After the workout players and officials of the Scottish party went to the Cornell Club, where they were the guests of the sportsmanship brotherhood at a luncheon. Sir Gerald Campbell, British Consul-General, welcomed them to the country and wished them every success during their tour of the United States and Canada.

Later the Scotsmen moved on to Philadelphia to prepare for the opening game of their invasion against Philadelphia's Germans, winners of the American Professional League championship.

Canadian middleweight, knocked out Bobby Dixon, Montana negro, in the third round of their scheduled stonewall main event at the Ballard ice arena, Friday night. The winner has his rival on the floor for three nine counts.

In the opener, Jack Granger, Thomas waterweight, knocked out Monte Garrison will clash with the Hudson's Bay in to-night's semi-final for the Taylor Cup, a \$1000, 10-day League football trophy, at Haywood Avenue grounds this evening.

The fixture is slated for 6.30 o'clock. The winner of the game will advance to the final against Spokane.

In their last meeting the Terrans and the Boys played to a one-all tie.

Canada Will Help In Newfoundland Survey

Aorangi Master To Retire Soon

Capt. J. F. Spring-Brown, master of the motorship *Avonrig*, in the Australia-English Columbia service, is expected to retire from active duty late this year. It was learned when the Niagara arrived here from "down under" yesterday evening.

Capt. T. V. Hill, at present master of the Niagara, is expected to be transferred to the *Avonrig*. Who will take command of the Niagara is not yet known.

Two "Court Line" Vessels In Port

Two freighters of the well-known "Court Line," whose ships roam the seas of the world in search of cargoes, reached Victoria this morning to load parcels of Vancouver Island timber. They were the *Jevington Court*, Capt. H. Fells, and the *Uffington Court*, Capt. E. C. Clarke.

Both vessels are at the Ogden Point wharf, with the United Kingdom as their destination.

The *Uffington Court* is the newest of the two ships by four years. She was built in 1929 at the Sunderland plant of W. Pickerskill. She is a little larger than the *Jevington Court*, being 444 ft. 4 in. long, with a length of 465 feet, a beam of fifty-five feet and a depth of twenty-five feet.

The *Jevington Court* was built in 1925 at the Belfast plant of Workman

feet. A specially constructed hull at Astoria, Oregon, is capable of lifting a beam of fifty-three feet and a depth of twenty-four feet.

Both ships are owned and operated by the United States Steamship Company, Madsen and Phillips, managers of the home port of both is London.
